

Position In-House Visual Designer
Type Full-time, Salary
Reports to Director of Business Development
Primary Location Cleveland, Ohio

Summary

People remember stories. The In-House Visual Designer focuses on translating ideas into compelling graphics that are used to secure new architectural projects. As a member of the marketing team, you will bring creative design ideas to a variety of project assignments ranging from single graphics to proposal booklets to interview presentations and coordinating photoshoots.

Bostwick Design's collaborative culture facilitates trusting relationships, professional growth, and design innovation.

Responsibilities

- Elevate and maintain the firm's brand and image with visual storytelling.
- Design and produce collateral and content for pursuits including:
 - Leading graphics for client presentations
 - Assisting with layouts and production of proposals
 - Creating visuals for thought leadership and office initiatives
- Collaborate with a team for business development and marketing activities including digital marketing.
- Manage the narrative for projects through graphics and photography.

Qualifications

- Graphic/Visual/Design/Architecture degree and/or Marketing degree with heavy emphasis on strong graphic/visual design skills.
- Recent graduates having up to three years of experience preferred.
- A/E/C industry experience and photography skills preferred, but not required.
- Proficient in graphic and presentation software Adobe InDesign, Photoshop, and Illustrator; Microsoft Office; Wordpress.

Compensation and Benefits

This position offers a competitive salary and discretionary, performance-based bonuses. Benefits include, but are not limited to, flexible work schedule, health, dental, and vision insurance, 401K with employer matching, and paid time off.
